

Booklist and Reader's Advisory, December 2013

Recently published architectural books and related works, selected by **Barbara Opar**, architecture librarian, Syracuse University Library. *NOTE: Links to purchasing information generally taken from Amazon.com or Michael Shamansky Bookseller (artbooks.com)*

Reader's Advisory:

The Google Books digitization project and the ensuing court case drew a great deal of attention. Read the full text of the United States District Court Southern District of New York opinion here: [Google Case](#)

Library Journal has again compiled a list of the best databases from the point of value and content. Most of them will be familiar but a few may be new to readers. View the list here:
